

manduka eQua® hand & mat towels

length/weight: 16" L x 26.5" W (hand) = 0.4 lbs • 72" L x 26.5" W (standard) = 1 lb
86" L x 26.5" W (x-long) = 1 lb

GRIPPY WHEN DRIPPY

- **Sweat activated grip** adds traction for sweaty hands and feet ("wet-grip").
- **Super absorbant** microfiber technology, slip-resistant, and quick drying.
- **Ultra plush** with superior traction.
- **Hygienic layer** acts as a barrier between mat or practice surface.
- **Versatile, multi-purpose towel** outperforms ordinary cotton or polyester towels on the mat, at the gym, on the mountain, or on the road.
- **Extremely durable**

CLASSIC COLORS 16" = \$16 ▪ 72" = \$38 ▪ 86" = \$42

CARING FOR YOUR TOWEL

To Use: When practicing, spread Manduka's eQua Mat Towel over your mat to provide a slip-resistant, hygienic surface. The microfiber fabric absorbs moisture and becomes grippy when damp. At the start of your practice you can enhance the slip-resistant qualities of the fabric by spraying with water to dampen before use.

To Clean: Machine wash cold with like colors. Hang dry or tumble dry on low. Do not bleach. Do not use dryer sheets, fabric softeners or detergents with fabric softeners, as they will make the surface of the towel slick.

We're here for you. Contact our customer care team for info on new seasonal colors. 1.877.MANDUKA
