RED PINE, FRONT AND CENTER

Whether you are outfitting the cottage or a sophisticated urban rustic room, the Ranch table from **CANADA BILLIARD** exudes character with its antique silver finished red pine cabinetry. Just because we characterized this barn-wood look pool table as rustic does not mean it is limited to cabin, lodge, ranch or mountain decors. We see our customers mixing rustic into modern, Tuscan, and traditional style homes or cottages. This rustic pool table is truly transitional. It will add rugged charm to any decor. A popular pool table which basks its charm in the material it uses. Chosen and made to look rustic.
