## These are the most frequently purchased accessories:

Blue interior: Our bait in California seems to acclimate more quickly to a darker interior

Foam Fill: Helps keep down the sloshing in rougher weather

Mounting cleats: Fiberglass angle and SS hardware to mount the tank

Tank Light: Small LED in bottom of tank

Full Sized Lid: Covers the entire top of the tank

Cup Holders: Attach to the full sized lid

Drop in Lid: Covers the tank opening

Plexi Lid with friction hinges: Covers the opening. The friction hinges keep the lid open. It also has a locking latch.

**Rod Rack** 

**Gaff Holders** 

Cutting board insert: Fits inside the full sized lid to protect the full sized lid when you filet fish. You then remove it when you want to serve food for parties, etc. on your table.
