holm

BY SCANTEAK AND OUTOFSTOCK

A TRIBUTE TO DESIGN

Holm – derived from the Old Norse World "holmr", means a small island. It is the key inspiration defining the soft designs that marry form and function in a limited edition furniture collection. Also a play on the word "home", the 6-piece collection was designed based on the Singaporean way of life.

With its clean, simple lines and curved edges, the holm collection adds a softer, more family-friendly element to Scanteak's repertoire.

ISLAND SOFA

A two seater sofa where generous cushions are held by a natural teak frame - a marriage of classic archetype with contemporary style.

A seat meant for 2, this piece of furniture seeks to create an engulfing feel similar to 1 seater. A result of carefully researching the different angles of back support, this sofa seeks to marry comfort with style.

MEET THE DESIGNERS

OUTOFSTOCK

Outofstock is an international collective of
award-winning designers based in Singapore,
born out of a meeting in Stockholm - hence the name
Outofstock.

Gabriel Tan and Wendy Chua from Singapore,
Gustavo Maggio from Argentina and Sebastián Alberdi
from Spain met in Stockholm, in 2005. What started out as
a cross cultural creative experiment grew into a design
studio with offices in Singapore and Barcelona. They
currently work on furniture, industrial design and
interior design for international clients such as
Ligne Roset, Environment, Quantum Glass, and Bolia.

Their accolades include Elle Decoration Spain's
Young Designer of the Year 2008, the Singapore
Furniture Design Award 2009 and the President's
Design Award 2010.
