*"I first came across Archer Adams when working as a Creative Editor in London. A friend met me for coffee sporting the Eagle umbrella and I fell in love! I was gifted my first one the next day. Years later, when I had the opportunity to buy the company, it just felt like fate. I'm now on a mission to make Archer Adams a byword for style around the world."*

Our love affair with the umbrella goes back millennia and is woven throughout human culture. Umbrellas have been used in all kinds of ceremonial and ritualised situations and are dripping with mythological symbolism. Whatever the design or material used, they continue to be objects of power, status, and protection.

The epitome of sophistication, Archer Adams umbrellas are for everyone. Their design means that they are appreciated by both men and women of all ages. Whether buying for yourself or for someone else, it's a gift that is guaranteed to bring joy for many years.
