

Wool requirements:

8" square of background wool

4 ½" x 8" Green for grass hill

4" x 5 ½" Textured Brown for path & birdhouse roof

2 ½" x 4" White for gate & birdhouse

3" x 4 ½" Terra Cotta Brown for arch

1" x 4" Gold for star flowers

1" x 2 ½" Black for wagon wheels

1 ½" x 3 ½" red for wagon

2" x 2" gray for cat

1" x 3" brown for birdhouse pole

Scraps of assorted colors for flowers

I like to use embroidery floss that matches the wool

Pattern Directions:

Use your favorite method to transfer the design to wool. Use the layout template for placement of the project, centered in 8" square. Stitch in place using embroidery floss.

Use wool thread to stitch stems for flowers and vines in between flower clusters
