I'm Lucia, the owner/illustrator at Lucy Loves Paper - a Latina owned illustration & design studio based in Southern California. Lucy is my childhood nickname and this love of paper started when I was a little kid, that spent a crazy amount of time drawing the world in her head.

Lucy Loves Paper **DELIVERS KINDNESS, CONNECTION AND INCLUSION IN A BRIGHT BOWL OF CUTENESS.** We're here to celebrate empathy and deep human connections with a focus on diversity and mindfulness towards sustainability. All of this is done in a unique style, full of fun characters and bold color palettes inspired by my upbringing in Rio de Janeiro, Brazil.

I'm so happy to see you here and grateful for your interest in carrying my line! Looking forward to giving you some warm fuzzies with my products and together, developing a strong, long-lasting business relationship.
