By signing this form the cardholder confirms the information on the associated SO or Invoice is correct. The cardholder also agrees to pay the charges stated above and agrees to the attached Terms & Conditions. No charges will be attempted on a credit card unless an authorization form has been signed and returned. Credit cards will be pre-authorized to release shipments and charged once orders are shipped and invoiced.

Keep Credit Card On File

By checking this box you approve HG Global, LLC to keep this credit card number on file to be used as payment for future orders. Subsequent Credit Card Authorization forms will be processed using this card if the 'credit card on file' box is checked and the form is signed and dated, approving the charges listed.

¹ Security code is 3 digit number on back of card to the right of card number or Amex 4 digits on front to the right of card number
