

## ITEM SPECIFICATION

Item No. **113-105PCR100**

|                      |                      |  |                          |
|----------------------|----------------------|--|--------------------------|
| <b>ITEM NAME:</b>    |                      | <b>Preform 24/410 Clear RPET (100% PCR) 14gm x L70mm</b> |                          |
| <b>MOULD:</b>        | Item:                | PET Preform 113series                                    |                          |
|                      | Neck:                | 24/410   |                          |
|                      | Colour:              | Clear  | Colour ID: n/a           |
|                      | Material:            | RPET recycled polyethylene terephthalate<br>- PCR 100%   | Grade: BG085C or CB-602R |
|                      | Weight:              | 14.00gm  | ± 2.00gm                 |
|                      | Length:              | 70.00mm  | ± 2.00mm                 |
|                      | "T" Diameter:        | 23.60mm  | ± 0.20mm                 |
|                      | Inner Diameter:      | 18.25mm  | ± 0.20mm                 |
|                      | Pitch:               | 3.18mm   |                          |
|                      | <b>Holding Ring:</b> | Support Ring<br>Diameter (TD):                           | 23.60mm                  |
| Neck Diameter (ND):  |                      | 21.70mm  | ± 0.20mm                 |
| Support Ring Height: |                      | 2.00mm   | ± 0.20mm                 |
| <b>Mating Part:</b>  | To Fit:              | N/A  |                          |
|                      | NOTES:               | NIL  |                          |
