

Thera-Med® Professional Dual Moist-Dry Heating Pad

The **Thera-Med® Professional Dual Moist-Dry Heating Pad** offers dual mode (moist/dry) heat options for optimal therapy. Its four heat settings allow you to control your own therapy with a simple press of a button. The moist heat option provides deep penetrating relief from sore, stiff muscles, while the dry option provides a comforting warm treatment. The unique pad design delivers a consistent therapeutic heat in the recommended range and eliminates any spikes to maintain an even comfortable level at all times. For added safety, the auto shut-off feature turns the pad off after 40 minutes of use. The removable ultra-soft cover is machine washable.

Product Features:

- Dual application - can be used dry or moist with dampened sponge insert
- Flexible pad with extra-soft machine washable cover (100% polyester) for a comfortable feel
- Four heat settings - warm, low, medium and high
- Ergonomically designed hand controller with simple one-button operation and color-coded LED indicators
- 40 minute auto shut-off feature
- 8-foot extra long cord for easy positioning and freedom of movement during use
- Available in two sizes - medium and king

***Minimum Advertised Price**

- \$24.95 for the Medium Heating Pad (HP1215)
- \$29.95 for the King Heating Pad (HP1224)
