# POCKETALK™
Imagine where it will take you.
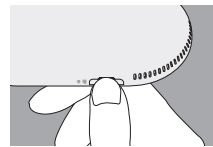

SIM Card

Pocketalk™ Global SIM Card from Soracom.
Two-years of mobile data from time of first use.

Works with Pocketalk devices. Pocketalk not included.
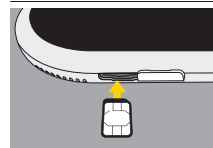

Installing the SIM in Pocketalk.

Turn off Pocketalk and locate the SIM card hatch on the side of the device.
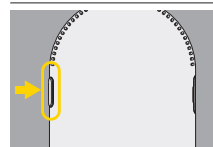

Use your fingernail to open the hatch.

Once the hatch is open, flip it around and away from the SIM slot as shown. (The hatch is connected to Pocketalk and does not come off.)

Place the SIM card into the slot with the metallic chip facing up as shown.
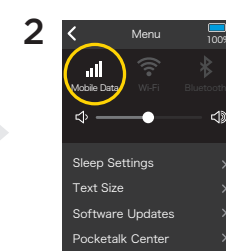

Flip the hatch back around and press to close.
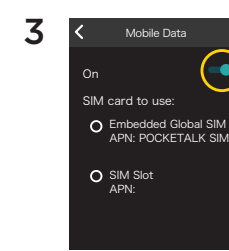

Press the power button to turn on Pocketalk.
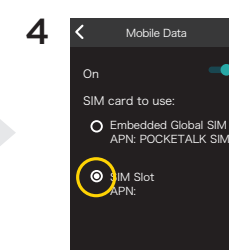

Configuring Pocketalk to use the SIM.

**1** Tap on the **Menu** button on the top left corner of the screen.

< French   English >
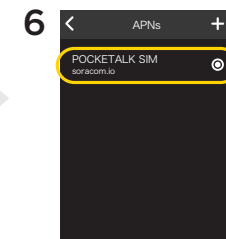

2 Tap on the **Mobile Data** icon at the top left of the screen.
