Beam G2 Connectors

Are you tired of the same old rectangular ceiling fixtures? Looking for a fresh way to light up a commercial, retail, or educational space?

Our Linear Architectural Beam G2 series fixtures are now available with innovative connector pieces that let you arrange them in a practically limitless selection of shapes, configurations, and even patterns.

Mix and match fixture lengths with your choice of “L,” “X,” “Y,” and “T” -shaped connections to create a unique and eye-catching look that’s only limited by your imagination.

The connectors are compatible with our 4’, 6’, and 8’ 4 CCT generation 2 beam direct and direct/indirect fixtures. 600w maximum electrical run.
