- To prevent personal injury or product damage only licensed electricians should install.
- To avoid electric shock or component damage disconnect power before attempting installation or servicing.
- This product must be installed in accordance with the national electric code (NEC) and all applicable federal, state and local electric codes and safety standards.
- Disconnect product and allow cooling prior to servicing.
- Any alteration or modification of this product is expressly forbidden as it may cause serious personal injury, death, property damage and/or product malfunction.
- To prevent product malfunction and/or electrical shock this product must be properly grounded.
- This luminaire is designed to operate in ambient temperatures ranging from -30° c to 40° c and to be horizontally mounted with the LEDs facing down.
- Round Post Top Light only.

1. Unpacking

Thoroughly inspect the fixture for freight damage. Freight damage should be reported to the delivery carrier.

2. Installation

1). Connect the AC wire of the lamp as shown in the picture, then insert the lamp into the 2.36-inch pole.

2) Lock the screws on both sides of the lamps, fix the lamps on the pole.
