

CENTER BASKET TROFFER-LED TUBES

PRODUCT DESCRIPTION:

TechBrite's Center Basket Troffer is an economical solution for troffer lighting. The Troffer is built with quality post-painted steel. TechBrite's Center Basket Troffer utilizes a clouded lens in a Center Basket design that is engineered to decrease glare and maintain a visually appealing appearance. The Troffer can be wired to accommodate a variety of LED tubes.

FEATURES:

- Soft white, low glare diffuser
- Engineered diffuser to maximize LED performance
- Available shroud accessory for surface mounting
- Integrated T-grid clips
- Limited warranty: 5 years on luminaire

APPLICATIONS:

- New Construction
- Renovation
- Retrofit
- Conference Rooms
- Offices
- Classrooms
- Hospitals
