Premium Quarter Sphere Wall Pack

This premium quarter sphere wall pack is designed to be both practical and elegant. The full cutoff style projects the light down, reducing light spread. The die-cast aluminum body features a UV stabilized powder coat finish, and the fixture is wet location rated for mounting outside along the sides of buildings, schools, garages, and many other structures.

The wall pack is wattage selectable (15W / 30W / 50W / 72W) in the field, giving greater flexibility in application and lumen output.

Includes mounting plate with integrated leveling bubble.

Features:

- Wattage: 15W / 30W / 50W / 72W
- Voltage: 120-277
- CCT: 4000K or 5000K
- CRI: 70+
- Lumens:
