LED Rotatable Wall Pack

The Rotatable Wall Pack Light fixture has an adjustable design for outdoor landscape, industrial or wall lighting applications. The fixture is made with a diecast aluminum alloy housing and features an anti-corrosion finish. It combines the latest LED technology that provides up to 130lm/w brightness with a waterproof, IP65 rated, led driver. The fixture is ideal for replacing metal halide or high-pressure sodium light fixtures.

Features:

- Die-cast aluminum body with corrosion resistant finish
- Wattage / Lumens:
 - o LS-WP40WAT1MV2-50K
 - 40W / 4800
 - o LS-WP80WAT1RV2-50K
 - 80W / 10400

Voltage: 100-277V

CCT: 5000KFinish: Bronze
