Hello Bedtime

Sometimes bedtime isn't the best time.
But it's always a very important to rest time.

If you don't like the idea of closing your peepers, you're
not alone.

Saying goodbye to the day makes many folks groan.

Take, for instance, the Hello Bello Buddies.
They love bedtime stories and bedtime tubbies.

But when it's really time for tucking into beddy,
They are very much sure they are not ready.

Little Cub says "grrrrr."
Bitty Bunny goes "thump."
Cuddle Bug says "buzzz."

And Sleepy Sloth goes "humph."
Blobma says, "Buddies, it's time to say goodnight."
But the Buddies just don't think that's right.

Little Cub says "grrrrr."
Bitty Bunny goes "thump."
Cuddle Bug says "buzzz."
And Sleepy Sloth goes "humph."

Blobma says, "Buddies, the day is over and it's
time to snooze."
But the Buddies have the bedtime blues.

Little Cub says "grrrrr."
Bitty Bunny goes "thump."
Cuddle Bug says "buzzz."
And Sleepy Sloth goes "humph."

Blobma gives another hug and whispers,
"You should be asleep."
And, the Buddies...sshhhh...don't make a peep.

Little Cub goes "zzzz."
Bitty Bunny goes "zzzz."
Cuddle Bug goes "zzzz."
And Sleepy Sloth goes "zzzz."

Nighty-night, buddies.

GOOD
night!
