About UNICEF

UNICEF helps save and improve the lives of children in over 190 developing countries and territories.

“ Being a UNICEF Platinum Champion for Children has given us an effective way to have a positive social impact, as well as demonstrate our values to our staff and customers.”

- Marnie Gooding, ELK
Co-Owner and Creative Director

UNICEF, the United Nations Children’s Fund, was founded over 70 years ago with a mission to advocate for the protection of children’s rights, to help meet their basic needs, and to expand their opportunities to reach their full potential.

UNICEF’s work focuses on child survival and development, child protection, education and gender equality, HIV/AIDS and emergencies.

Our unique position as a UN agency gives us the power to influence key stakeholders to create long-term, sustainable change and to reach children in need at a grassroots level. However, UNICEF is not funded by the UN.

We rely on voluntary donations for our work with children.
