

Introducing A.S.A.P.[®] Dailies

All Surface Access Diamond Polishers

Step One:
10-15 second
Pre-polisher

Step Two:
15-20 second Final
High Shine Polisher

Polish for a Day and Throw Away

Take esthetics to a new level of efficiency and convenience with diamond impregnated **A.S.A.P.[®] Dailies**, the next generation of daily-use polishing.

- **A.S.A.P. Dailies** provide all surface access polishing for direct and indirect restorations including: composite, ceramic, zirconia, lithium disilicate and provisionals.
- **A.S.A.P. Dailies** are designed for multiple use in a single day and deliver a fast, high shine polish in as little as 30 seconds.
- Delivering consistent results after multiple sterilization cycles,* diamond impregnated **A.S.A.P. Dailies** reduce your cost-per-use without sacrificing performance.

*Minimum 3 sterilization cycles.

“In only 30 seconds, A.S.A.P. Dailies allow me to access all tooth surfaces and give my composite restorations a high polish.**”**
