4959 W. CAY LANE
HERRIMAN, UT 84096**

Instructions

(No need to send this with work order)

1. Visit the Website to look at pictures, descriptions and order instructions.
2. Contact us with any questions you have before placing your order.
3. Start your order by clicking on “shop” and go through the prompts selecting pattern, borders, extras, etc.
4. Ship your frame (Through UPS, FEDEX or USPS) so that your frame arrives on the Monday of your scheduled week. Once your frame is shipped, text, DM or email me the tracking information.
5. Once your frame is delivered you will be contacted to pay the remaining amount of your invoice. (if applicable)
6. Your Frame will be finished in the order it was received and shipped directly back to the name and address listed on the order form. Return shipping is covered by Allen Arms Stipple.

*For simplicity, the extras section assumes a right handed shooter. For example, a trigger finger index texture pad would be placed along the side of the frame where your right hand trigger finger would rest while high and off the trigger. The textured hidden thumb ledge is listed twice for those who desire a symmetrical look and want it on both sides.

**Some modifications are frame specific and cannot or should not be completed on every frame. Please be sure that your frame accepts the requested modifications
