

Waiter's Guide to **Broken Arrow Ranch** **Sika Venison**

Once thought to possess magical powers, Sika deer are native to Manchuria, Japan and Taiwan. Ranchers interested in propagation of the species imported some animals to the Texas Hill Country. The free-ranging herds have thrived, allowing for limited harvesting to control populations. Sika venison is some of the highest-quality, best tasting venison.

Rich, Beefy Flavor

Free of Antibiotics and Chemicals

Smallest Member of the Elk Family
