FINISHING

Steam-block body of scarf lightly, avoiding the yarn tails.

Fringe: Cut 10" lengths of yarn as follows:

MC: 54 strands

CCI-5: 40 strands each

Use 3 strands of fringe for each CC stripe and 2 strands (1 MC and 1 CC) for each MC stripe. (Or just cut the remaining yarn into 10" lengths and distribute them however you like.)

To attach fringe, fold the strands in half. Insert crochet hook into edge of fabric between first and second stitch of row, coming up from underneath; grasp folded strands at midpoint and pull through to underside of fabric; tuck ends of strands plus any tail left from knitting through the loop; gently tighten loop against edge of fabric.

When all fringe has been attached, trim ends even to 4".
