RS: right side

sl: slip

st(s): stitch(es)

wyib: with yarn in back

**NOTE**

Because of its silk content, Fino stretches very easily in blocking. Be sure to block your swatch before choosing a needle size; if your gauge is too large, you may run out of yarn.

Carry MC up side of work when not in use.

Move marker up the work every inch or so and replace it in the center stitch closer to the needle, where it can be seen more easily.
