INSTRUCTIONS (make 2)

Cast on 19 stitches, leaving an extra-long tail (you'll use it for seaming up).

Row 1 (wrong side): P1, (k1, p1) to end of row.

Row 2: K1, (p1, k1) to end of row.

Repeat these two rows until work measures 9", ending having just worked Row 1.

Bind off in rib. Cut yarn, leaving 18" long tail (you'll use it for seaming up).

Finishing

Using ½ stitch on either side for seam allowance, sew seam from both ends, leaving 2" gap for thumb hole. Mitts shown have the thumbhole start 2" from the top. Try on the mitt as you seam to determine the best thumbhole placement for you. Weave in ends.
