updated price list  
robes and accessories 2024

Made in the USA

**Robe A La Carte** Shown on pages 44-46

**robe sizes** - Robes will be tailored to finish 8" from the floor, or ankle length (approximately 4" from the floor) as desired by customer. There is an extra \$3.25 charge per robe if tailored "floor length". Unless otherwise specified, choir robes will be ankle length and clergy robes will be 8" from the floor. Be sure to specify length desired. The following chart indicates gown back length based on heights of wearers of average build. **Important:** when measuring height, please wear shoes.

**youth robe sizes** - Add 10% to prices for youth robes if any of the following sizes are exceeded: 49" back length, height over 5'2" or chest size is over 32".

**warranty** - All merchandise is guaranteed with regard to fabric, style and size as ordered. Due to the nature of certain dyes and fabrics, some colors may vary slightly in different dye lots. Due to the instability of some dyes, we cannot guarantee fabrics, velvet, cord or satin against fading or transference. Every effort is made to maintain continuity of color and fabric quality in the materials offered. We cannot guarantee trims or cording to match fabric shades. Only first quality fabrics from leading mills are supplied. We recommend using darker colors for the yoke and cuffs.

**styles** - Numbered styles offered in the robe portfolio may not be changed in design or trim. Other style preferences will be specially quoted, or customer may use our Robe A La Carte® plan.

**embroidery** - Embroidered letters and symbols are done in a size appropriate to balance the robe. Normal size usually will not exceed 3". A larger size is used for overlays and back panels. Please check price list to see if symbols are available in sizes larger than 3". We will otherwise use the maximum size available. \*\* be sure to specify embroidery color and placement. \*\* if ordering gold - specify metallic or regular bright gold.

**returns** - Company authorization is required for returns. Company errors will be corrected promptly at no charge. Customer will be charged for alterations for which the company is not responsible. The company assumes no liability for damaged merchandise if not reported within 5 days after delivery.

**terms** - A minimum deposit of 50% must be sent with order. All orders with balance due will be called when order is ready to ship. At that time, shipping will be added. Ohio residents must submit tax exemption certificate with order if sales are tax exempt. No changes, cancellations or refunds will be made after the order has been cut. Visa, MasterCard, American Express and Discover charges are accepted.

**delivery** - Approximate delivery schedules are available at time of quotation. Order acknowledgments show approximate date order is scheduled to be shipped. Customers are responsible for checking accuracy of order acknowledgment. Customer must notify company immediately of errors or changes.

Only first quality fabrics from leading mills are supplied. Due to the instability of some dyes, we cannot guarantee all colors, velvet, cord or satin against fading or transference. Robes should be stored in a dry, dark area on hangers. Sunlight and gas fumes are an enemy to colors and can cause fading in the finest of fabrics.

**care instructions** will be included in garments. Prices listed are subject to change without notice. Prices listed for robes and stoles are based on quantity orders. Please add 10% to orders when ordering less than 4. Cording and other trim may vary from fabric shades.

The garments selected will give many years of pleasure and satisfaction. We have a few suggestions that will prolong the original beauty and freshness of these garments.

1. Polyester fabric is washable and may be washed using luke warm water, mild detergent & gentle cycle. They should be done as a group so they are all washed in the same manner. Remove before completely dry and place on a plastic hanger, A light touch-up with a warm iron may be needed.
2. Dry cleaning is a necessity for robes and items made or trimmed in satin or velvet, or if tailored in red or maroon with white or light colored trim.
