CUSTOM LOCKERS

## OVER 30 YEARS AS AN INDUSTRY LEADER

### EXECUTIVE LOCKERS AND BENCHES

Ideal Products, Inc., has set the standard for quality, function and design of manufactured wood lockers. The pride of the industry, each locker is handcrafted by experts using modern designs evolved over thirty years of research and development. Ideal's techno-advanced factory is equipped with the latest in automatic, computer-controlled machinery to insure precise fabrication of all components and assembly with the utmost integrity.

Product innovation and creative design has established Ideal lockers as the true market leader. Today the Executive Style, or more commonly known "Z-locker" we introduced many years ago, is the single best-selling design available.

Our manufacturing facilities are located in the distribution center of Southern California, at the intersection of six major interstate freeways and minutes from the ports of Los Angeles and Long Beach, extending our capabilities to conveniently service our international customers.

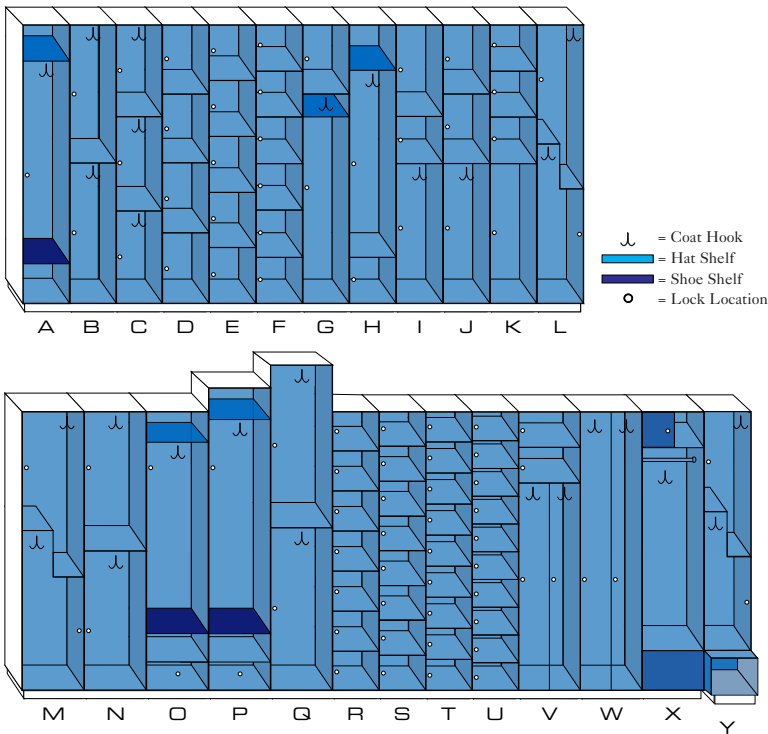

### CUSTOM AND STANDARD DESIGN CAPABILITIES

Ideal's extensive manufacturing process, geared for expeditious mass-producing of lockers, is flexible for easy accommodation of custom and unique designs. Customers may select one of our many standard configurations or, with our assistance, design their own to meet special needs. Our designers will assist customers by analyzing specific criteria and create locker designs to meet individual requirements. Dimensions can be altered and/or add a hat, shoe, or golf ball shelves, vanity mirror, security vault, pull drawers, extra doors, coat rod, handles, coin trays, etc.

### IDEAL'S SERVICE DEMONSTRATES ATTENTION TO DETAIL

When analyzing our customer's locker requirements, Ideal will need to know the physical space available for lockers (both square and linear footage) to determine locker frame sizing; estimated maximum number of persons to use lockers during peak hours; and anticipated type of personal belongings to be
