How to Play Bunny Bingo

You'll find 4 versions of our bingo board included in this PDF. Each version has the colored pieces arranged differently on the board.

Print off each version so each child has a different board to play with. If you have a larger group, you can print duplicates or have the kids play in teams of 2!

Use jellybeans as space holders for older kids and markers for the little ones.

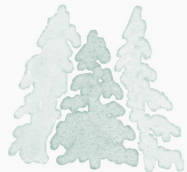

Call out a random icon from the list and let the kids mark them off as they see them on their board!

Tip: To make the game more challenging, call out "column 1, 2, 3, or 4" before calling out the color and shape.
