Directions

1. **Have children colour and cut out the pieces of candy and the bag. (Assist as needed.)**
2. **Find one or two dice to use for the game. (Using two dice will make the game more challenging.)**
3. **Explain to children that you will take turns rolling the dice. Once you roll the dice, you will count the number on the dice. That is the number of candies Elijah has in his bag. Show children how to count out the correct number of candies and put them in the bag.**
4. **Invite children to try rolling the dice and counting out the corresponding number of candies.**
5. **Repeat as many times as desired.**
