

# QuickChange® Male Urinary Incontinence Wrap Specification Sheet

- Innovative circular shape allows for changes without needing to lift or roll a patient
- Absorbs urine before urine can touch skin, maintaining skin integrity and reducing incontinence associated dermatitis
- Open, non-occluded top allows for heat and moisture to escape, further promoting dryness and skin integrity
- Soft, cloth-like, circular, penile seal prevents leaks and allows for all penis widths
- Premium closure/hook adheres folds tightly and safely
- Premium, ultra-smooth, cloth-like back sheet has a natural feel and wont chafe
