Information: Returns & Exchanges

Please note that we do not offer a free return label (see Return Shipping: Conditions). Please make sure that the products are packed as protected as you received them from us. We recommend an insured shipment by DHL, GLS or UPS including tracking. Once we receive your return, it will usually be processed within 1-3 business days. Any refund will always be made to the same payment method that was used to place the order. Do you have any further questions, wishes or suggestions? Then feel free to send us an e-mail to support@williamwalker.de

Important notice for free gifts

For all promotions where you receive a free gift by fulfilling certain conditions (e.g. amount of the order value), the following rule applies: If you no longer fulfill the condition for the free gift due to your return, the price for the gift product will be deducted from the refund. If you return the free gift product as well, the full price will of course be refunded.
