DKS Smart Gate
CONTROLLER

Set up your DKS Smart Connect account

Download DKS Smart Connect app for your iOS or Android device.

Available on the App Store

ANDROID APP ON Google Play

Now It's Easy to Monitor and Control Your Gate from Anywhere

• With the combined power of the DKS Smart Gate Switch, Smart Connect App, users (20 max) can open and close their gate from anywhere — right on their smartphone.

• The app also allows users to check the status of their gate, create gate access schedules, and view the history log of gate activity. Compatible with Alexa, Google Home, and Siri, the Smart Gate Switch is equipped with advanced security features and user-friendly operation, making it easy to monitor and control a gate from anywhere.

• Simply set up the Smart Gate via WiFi, once connected the Smart Connect App can use WiFi or Bluetooth to open the Gate.

RESIDENTIAL • PARKING • GATED COMMUNITIES • APARTMENT COMPLEXES • COMMERCIAL • INDUSTRIAL

TECHNICAL FEATURES

Smart Gate Switch 1800-500

Input Power: 8 – 30 VAC / VDC
N.O. relay output.

WiFi: 2.4 GHz IEEE 802.11b/g/n
- WiFi connection is required for initial setup and remote operation. After initial setup, if a WiFi signal is not present, the Smart Gate Switch and Smart Connect app will automatically use Bluetooth[1] for connection and control with a smartphone.

  1. Bluetooth must be enabled on the smartphone. Bluetooth range is limited to the immediate area (20-30 feet) from where the Smart Gate Switch is located.

Gate position input.
- Use the gate operator position relay (if available) to enable gate status (open / close) on the app. If the gate operator does not have a position relay, then a separate magnetic sensor switch will need to be installed to enable this feature.

DKS Smart Connect App

iOS or Android - Free on App Store and Google Play

20 Users maximum

Open and Close your gate from your smartphone

Show gate status (requires gate position input)

Setup open and close notifications

Setup schedules

View open / close history log

Works with Alexa, Google Home and Siri

The Smart Gate Switch and DKS Smart Connect app are designed for use with vehicular automated gates only. Never let children use or play with the Smart Gate Switch or DKS Smart Connect app.
