70-81 Camaro Parts Catalog #19

Your number one source for all of your 70-81 Camaro Parts needs.

www.LS6454.com

Check online for new items and the most current pricing. Updated often.

**We also carry restoration parts for
67-69 Camaro, 62-79 Chevy II/Nova, 64-72 Chevelle/El Camino**

QUALITY PARTS

- Whenever possible, we offer original GM parts. If original GM is not available, we offer GM Restoration parts, which are made to meet or exceed GM's quality standards.
- We also offer high quality non-licensed reproduction parts. We don't sell the low quality reproduction parts that some other parts sellers try to unload.
- We test fit all of the parts that we carry, so that whoever the manufacturer is, we assure you that you will be happy with the quality and the fit.

WE STAND BEHIND OUR PARTS.

- We are constantly adding new items to our inventory. If there is a part that you are looking for and you can't find it in our catalog, please call or visit our website www.LS6454.com.

PRICE MATCH + 5%

- Price match plus 5% of the difference policy applies to the products listed in this catalog...with the exception of parts marked "GM", due to the difficulties in obtaining these parts.
- Over the years there have been a lot of cheap parts being filtered in to the market. For example, parts made from tooling using reproduction parts as samples. The parts we carry are made from original tooling or new tooling that uses original parts as samples. We will only price match brand name parts or parts that are equal quality. If you want the "cheap stuff", you'll have to go elsewhere.
- We will price match advertised current prices with a copy of the ad showing the following items:
 - 1) Company name
 - 2) Company part number
 - 3) Company price
 - 4) Description of part
 - 5) Company phone number
 - 6) Company location
- The above information must be provided in order for us to price match any part.
- Any company deemed not to be a brick and mortar store, such as someone selling on Ebay out of their home (which is simply a drop ship company), will not qualify for price match.
- We reserve the right to decline this offer at our discretion.

ONE CALL, THAT'S ALL

**For all of your Chevelle, Camaro and
Nova Parts Needs.**

CATALOGS

If you need another catalog or would like to order one for a friend, please give us a call or log on to our website for ordering instructions.

ORDERING INFORMATION

For updated new item information, go to www.LS6454.com.

To order 24/7, visit us online at www.LS6454.com.

Or you can call us at **256.543.0980** (see store hours).
If you live outside the Gadsden metro area, call **1-800-335-4571**.

You can fax your order to our 24-hour fax line: **256.543.2010**.

You can email your order to:

info@johnsclassiccars.com

**By mail: John's Classic Cars and Parts
820 W. Meighan Blvd.
Gadsden, AL 35901**

Or visit us at our store. Our store hours are:

Monday thru Friday 8:00 am to 5:00 pm (Central)
Saturday 8:00 am to 12 Noon (Central)

Due to the car show and swap meet schedule, there may be some Fridays and Saturdays that we will be closed.

Please call in advance to make sure that we will be open.

SHOW SCHEDULE

UPCOMING SHOWS ARE POSTED ON OUR WEBSITE.
YOU CAN ALSO CALL TO SEE IF WE WILL BE IN YOUR AREA

**Pricing and policies are
subject to change without
prior notice.**

RETURN POLICY

(This return policy supersedes all others. **Please read carefully.**) All returns must be pre-approved by calling 256.543.0980 for return authorization. Once you have been issued a return authorization number (RA#), you will have 30 days from the issue date to return your part(s) to us. After 30 days, that RA# will be cancelled and the part(s) cannot be returned on that RA#.

Parts can be returned up to 30 days from the date the invoice was paid for a refund. Shipping will not be refunded. The part(s) returned must be in re-saleable condition in the original packaging. The original packaging must be in good condition.

**Parts that are NOT eligible for return are:

No returns on **parts that have been installed or altered**

No returns on **parts not in original packaging**

No returns on **parts in original packaging, where the packaging has been soiled, torn, or destroyed**

No returns on **electrical items**

No returns on **used parts**

No returns on **special order parts**

No returns on **incomplete kits**

No returns on **kits containing special order parts**

In some cases, parts can be returned up to 60 days.

Call for details.

Parts can be returned 31 to 60 days from the date the invoice was paid for a refund, which will be subject to a 25% restocking fee. Shipping will not be refunded. The part(s) returned must be in re-saleable condition in the original packaging. The original packaging must be in good condition.

**See above for parts that are not eligible for return.

There are no returns after 60 days from the date the invoice was paid.

All returns must be accompanied by a copy of the original invoice.

Any returns without the RA# on the outside of the box will be refused. In addition, we suggest that you use the RA# as the reference number when shipping.

It is your responsibility to make sure that the part(s) being returned are delivered safely and undamaged. Make sure that the part(s) are packaged carefully. Insurance on the shipment is highly recommended. If the part(s) being returned are damaged in shipping, it is your responsibility as the shipper to file a damage claim with the carrier.

Any returns shipped COD will be refused.

Shipping charges for returns will not be reimbursed.

There are no returns after 60 days from the date the invoice was paid.

DAMAGES

All parts must be inspected upon receipt.

We must be contacted within 5 days if there are any damaged or missing parts, or if there are any errors in ordering.

Damages by UPS: Have the UPS driver note any damages and then contact us immediately to report the damage. Have the part numbers of the damaged parts(s) ready, along with a description of the damage. We will then contact UPS to file a damage claim. Once the claim has been filed, replacement parts will be shipped. Keep the damaged box, all packaging material and the damaged parts handy for 10 days. UPS will most likely want to inspect the damage. You must contact us within 5 days of delivery, or you will be responsible for filing the damage claim.

While checking for damages, it is also very important to check your order for any missing parts or errors in ordering and contact us within 5 days.

Damages by Truck Freight: All parts that are shipped truck freight are inspected and carefully packed before they are released to the trucking company for delivery. It is the trucking company's responsibility to make sure that your order arrives in the same condition that it left in.

You **MUST** inspect all parts for damage in shipping while the driver is still present. If there is damage, it **MUST** be noted on the delivery ticket (bill of lading) **BEFORE** you sign it.

If you do not inspect the order or do not note any damage before signing for the shipment, the trucking company is released from any responsibility and the shipment is yours. There will be nothing that we can do once you sign off on it.

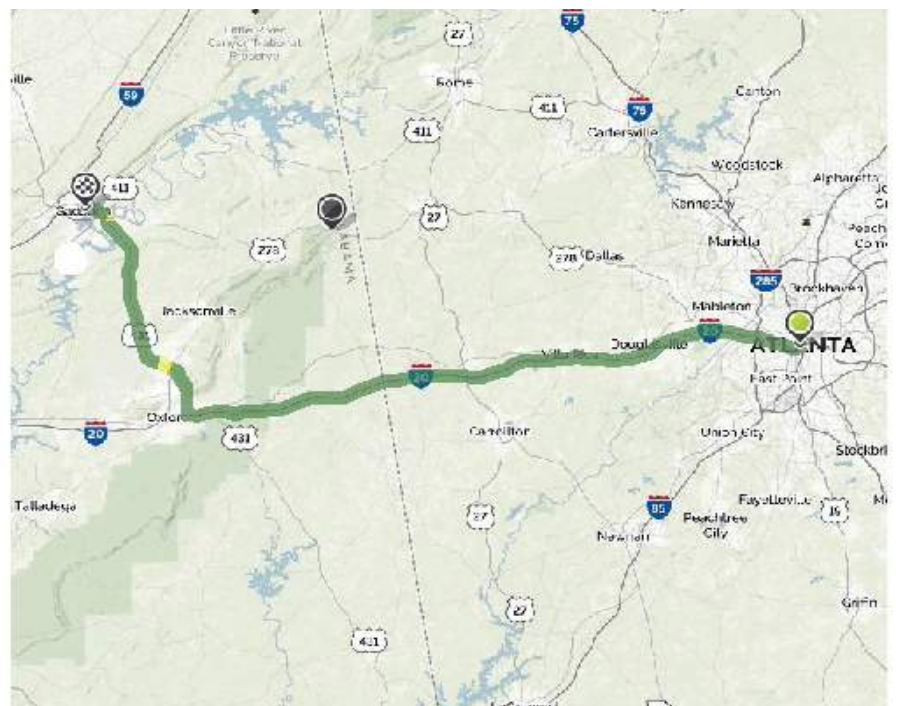

TO OUR SHOWROOM

We are located on Hwy 431 (Meighan Blvd.) in Gadsden.

\$219.00 Kit

KIT INCLUDES:

- 2 Front End caps
- 2 Rear End Caps
- 2 "U" Shaped Surround Moldings

**T-TOP
CHROME HANDLES
- Fisher Type -**

TTMC78H 78-81 Pair \$54.00 Pr

**T-TOP "Y" MOLDINGS
- Fisher Type -**

TTMC78Y 78-81 T-top "Y" Moldings
\$76.00 Pr

**T-TOP MOUNTING
GROMMET
- Fisher Type -**

TTMC78G 78-81 Grommet \$7.00 Ea
Need four per car

**T-TOP RETAINER CLIP
- Fisher Type -**

TTMC78C 78-81 Clip \$7.00 Ea
Need four per car.

T-TOP STORAGE BAGS

TTPC76B 76-81 Black \$92.00 Pr

**From common parts
to odd parts,
One call, that's all,
for a huge inventory
and a wide variety
of parts.**

SAVE
on phone calls,
time and shipping.

IGNITION LOCKS

CL-102

CL-102 70-78 \$19.00 Kit

CL-103 79-81 \$19.00 Kit

DOOR LOCK KITS

CL-109

CL-109 70-78 With Short cylinder
Stem Length 7/32" ** \$27.00 Kit

CL-111 70-78 With Med cylinder
Stem Length 3/8" ** \$27.00 Kit

CL-110 70-78 With Long Cylinder
Stem Length 3/4" ** \$25.00 Kit

CL-111 79-81 All \$24.00 Kit

**** NOTE ****
Stem length is from
back of cylinder to end of stem.

GLOVEBOX LOCKS

CL-120 70-81 \$22.00 Kit

**GLOVEBOX LOCK NUT
TOOL**

GNT500 70-81 Tool \$18.00 Ea
A must for installing and
removing glovebox locks.

TRUNK LOCK KITS

CL-114 70-73 \$36.00 Kit

CL-115 74-77 \$29.00 Kit

CL-116 78-81 \$26.00 Kit

**IGNITION and DOOR
LOCK KIT**

Locks are keyed the same

CL-106 70 With Short cylinder
Stem Length 7/32" ** \$41.00 Kit

CL-107 70-78 With Long Cylinder
Stem Length 3/4" ** \$36.00 Kit

CL-108 79-81 With Med cylinder
Stem Length 3/8" ** \$36.00 Kit

****NOTE****

Door Cylinder stem length is from
back of cylinder to end of stem.

**DOOR and TRUNK
LOCK KITS**

Locks are keyed the same

CL-185 70-73 With Short cylinder
Stem Length 7/32" ** \$53.00 Kit

CL-137 70-73 With Long Cylinder
Stem Length 3/4" ** \$55.00 Kit

CL-138 74-77 With Long Cylinder
Stem Length 3/4" ** \$44.00 Kit

CL-286 78 All \$47.00 Kit

CL-139 79-81 All \$47.00 Kit

****NOTE****

Door Cylinder stem length is from
back of cylinder to end of stem.

GLOVEBOX and TRUNK LOCK KITS

Locks are keyed the same

- CL-124 70-73 ** \$53.00 Kit
- CL-125 74-77 ** \$44.00 Kit
- CL-126 78-81 ** \$47.00 Kit

** These kits do not come with trunk lock shaft, retainer or gasket.

GLOVEBOX, TRUNK and DOOR LOCK KITS

Locks are keyed the same

- CL-263 70 With Short cylinder
Stem length 7/32" ** \$73.00 Kit
- CL-131 70-73 With Long Cylinder
Stem length 3/4" ** \$71.00 Kit
- CL-132 74-77 With Long Cylinder
Stem length 3/4" ** \$62.00 Kit
- CL-253 78 All ** \$63.00 Kit
- CL-133 79-81 All ** \$64.00 Kit

** These kits do not come with trunk lock shaft, retainer or gasket.

NOTE

Door Cylinder stem length is from back of cylinder to end of stem.

DOOR CYLINDER GASKET

- DLG150 70-81 \$1.00 Ea

DOOR LOCK RETAINER

- DLR100 70-81 \$2.00 Ea

DOOR LOCK PAWL RETAINER CLIP

- CL-209 CL-210

- CL-209 70-81** \$2.00 Ea
** For door lock with short and medium cylinder
- CL-210 70-81** \$2.00 Ea
** For door lock with long cylinder

For Door Lock Pawls, See next page...

DOOR LOCK PAWLS

- CL-1101 CL-1100

- CL-1101 70-78 LH \$6.00 Ea
with Short cylinder
** stem length 7/32"
- CL-1100 70-78 RH \$6.00 Ea

RADIATORS

Direct replacement radiators. These radiators are manufactured from durable copper and brass materials and are designed to meet or exceed original cooling specs with today's technology. Features original style stamped tanks with 1/2" tubes on 9/16" centers. Dimensions listed are for radiator core only. Made in the USA.

INDOOR CAR COVERS

Diamond Blue - Indoor Use

Picture is a Representation

Designed for indoor use, Diamond blue covers are manufactured using an economical single-layer non-woven material that offers excellent protection from dust and dirt penetration. Each cover is sewn with double-stitched seams to add strength and durability to the cover and Neoprene elastic is sewn into the front and rear hems to help secure the cover. Breathable and lightweight, Diamond Blue offers basic protection from water and guards against damage from dust, dirt, overspray and similar environmental elements. Diamond Blue Covers feature a 2-year manufacturer's limited warranty when used indoors. Covers feature mirror pockets on both sides of the cover and non-scratch grommets have been installed onto each side of the cover to allow the use of a tie-strap or lock.

LS CONVERSION

Crossmember and Engine Mount Kits

This LS swap kit is made specifically for 1970-1981 Camaros and Firebirds.

It was designed around the f-body oil pan using the Sure-Fit crossmember system.

It bolts into existing holes in the subframe and was designed to give you the best options for other components.

Unlike most LS swap parts on the market, this kit replaces the frame brackets in addition to the mounts, so you'll have clean mounting of your engine and not a mix of unrelated parts.

Unlike other mounts, these position the engine so there is no steering interference, and the crossmember maintains the proper drive-line angle for smooth highway cruising.

It provides clearance for the factory AC box, power brake booster, and aftermarket suspension components.

The following combined parts offer an easy, strong, and clean installation of your LS engine.

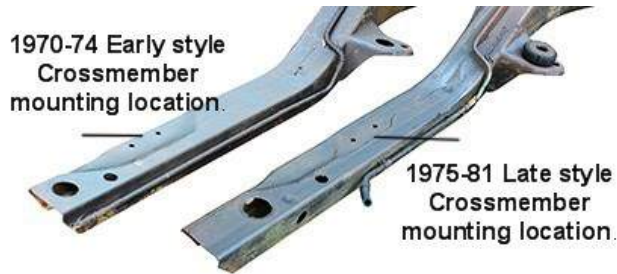

We at John's Classic Cars and Parts feel that this is the best fitting kit that is available. Everything lines up perfectly. These are not universal kits. They are engineered for model year specifications.

700256	70-74	with black bushings	LS and 5 speed and 6 speed Manual transmissions	\$479.00 Kit
701856	70-74	with red bushings	LS and 5 speed and 6 speed Manual transmissions	\$479.00 Kit
700260	70-74	with black bushings	LS and 4L60E, 4L65E or 4L70E Auto transmissions	\$479.00 Kit

LS CONVERSION

Early or Late Subframe?

Measure your subframe.

Since late subframes can be used in early cars with simple modifications, it is important to measure yours. Measure from the center of the rear body mount to the back crossmember mounting hole. 1970-74 subframes are roughly 7", while 1975-81 subframes are 10" or more.

INDIVIDUAL COMPONENTS

Engine Mount Kits

For those of you working on custom applications, or just adding an overdrive transmission to your existing engine, we offer the engine mounts separately.

- | | | |
|---------------|---|--------------|
| 701302 | 70-81 with black bushings
Hardware Included | \$280.00 Kit |
| 701318 | 70-81 with red bushings

LS CONVERSION

Oil Pickup Tube Girdle

AFX6000 70-81 Pickup Tube Girdle and Hardware \$40.00 Ea

Original GM oil pickup tubes are fastened to the pump with a single bolt mating flange on the tube. The bolt hole on the other side is not used.

This girdle is CNC machined aluminum and goes over the original mating flange, wraps around the tube and fastens using both bolt holes.

Use with a little Loctite and it's cheap insurance against an engine meltdown. It comes with two longer bolts for install.

Rear Ignition Coil Relocation Kits

This Coil Relocation Kit alleviates the problem of the rear coils hitting the power brake booster or air conditioning box when swapping the LS engines into early vehicles.

The relocation brackets are laser cut from brushed stainless steel for a great clean appearance.

It relocates the rear coil upwards to provide adequate clearance for power brake boosters and air conditioning.

Driver side and passenger side kits include all necessary hardware along with one of our 12" high performance spark plug wires. AFX6900 complete kit includes two plug wires.

Installation is easy, the brackets bolt to the valve cover using existing mounting holes on factory valve covers (as well as most aftermarket valve covers).

They are available for all styles of coils and each side separately or together to add symmetry to your installation.

AFX6904 70-81 Vertical mount Driver Side \$195.00 Kit

AFX6916 70-81 Vertical mount Passenger Side \$195.00 Kit

AFX6900 70-81 Vertical mount Both Sides \$195.00 Kit

LS CONVERSION

For over twenty years, our many customers have come to rely on us for the best fitting and best quality parts that are available at competitive prices.

After researching a lot of LS Conversion kits that are on the market, we feel that these are the best fitting kits that are out there.

This will make your LS Conversion a lot easier and you will end up with a nicely balanced engine to weight ratio, drive shaft alignment and oil pan clearance.

Thank you for trusting us for over twenty years.

NOTES:

RETURN POLICY

(This return policy supersedes all others. **Please read carefully.**)
All returns must be pre-approved by calling 256.543.0980 for return authorization. Once you have been issued a return authorization number (RA#), you will have 30 days from the issue date to return your part(s) to us. After 30 days, that RA# will be cancelled and the part(s) cannot be returned on that RA#.

Parts can be returned up to 30 days from the date the invoice was paid for a refund. Shipping will not be refunded. The part(s) returned must be in re-saleable condition in the original packaging. The original packaging must be in good condition.

**Parts that are NOT eligible for return are:

No returns on **parts that have been installed or altered**

No returns on **parts not in original packaging**

No returns on **parts in original packaging, where the packaging has been soiled, torn, or destroyed**

No returns on **electrical items**

No returns on **used parts**

No returns on **special order parts**

No returns on **incomplete kits**

No returns on **kits containing special order parts**

In some cases, parts can be returned up to 60 days.

Call for details.

Parts can be returned 31 to 60 days from the date the invoice was paid for a refund, which will be subject to a 25% restocking fee. Shipping will not be refunded. The part(s) returned must be in re-saleable condition in the original packaging. The original packaging must be in good condition.

**See above for parts that are not eligible for return.

There are no returns after 60 days from the date the invoice was paid.

All returns must be accompanied by a copy of the original invoice.

Any returns without the RA# on the outside of the box will be refused. In addition, we suggest that you use the RA# as the reference number when shipping.

It is your responsibility to make sure that the part(s) being returned are delivered safely and undamaged. Make sure that the part(s) are packaged carefully. Insurance on the shipment is highly recommended. If the part(s) being returned are damaged in shipping, it is your responsibility as the shipper to file a damage claim with the carrier.

Any returns shipped COD will be refused.

Shipping charges for returns will not be reimbursed.

There are no returns after 60 days from the date the invoice was paid.

DAMAGES

All parts must be inspected upon receipt.

We must be contacted within 5 days if there are any damaged or missing parts, or if there are any errors in ordering.

Damages by UPS: Have the UPS driver note any damages and then contact us immediately to report the damage. Have the part numbers of the damaged parts(s) ready, along with a description of the damage. We will then contact UPS to file a damage claim. Once the claim has been filed, replacement parts will be shipped. Keep the damaged box, all packaging material and the damaged parts handy for 10 days. UPS will most likely want to inspect the damage. You must contact us within 5 days of delivery, or you will be responsible for filing the damage claim.

While checking for damages, it is also very important to check your order for any missing parts or errors in ordering and contact us within 5 days.

Damages by Truck Freight: All parts that are shipped truck freight are inspected and carefully packed before they are released to the trucking company for delivery. It is the trucking company's responsibility to make sure that your order arrives in the same condition that it left in.

You **MUST** inspect all parts for damage in shipping while the driver is still present. If there is damage, it **MUST** be noted on the delivery ticket (bill of lading) **BEFORE** you sign it.

If you do not inspect the order or do not note any damage before signing for the shipment, the trucking company is released from any responsibility and the shipment is yours. There will be nothing that we can do once you sign off on it.
