Kia ora!

Welcome to Konstruct's 2021 Leavers' Catalogue.

We have been the leaders in apparel for New Zealand school leavers since 2006.

We make ordering super easy, have quick production times and a full quality guarantee. Not to mention we've thrown together a heap of freebies for you this year!

Get the ball rolling by going to konstruct.co.nz/leavers for a free no-obligation quote. You won't regret it! I look forward to hearing from you.

Ria 🥰

Google ★★★★★ 250+ 5-STAR REVIEWS!

Sweet new leavers gear is as easy as

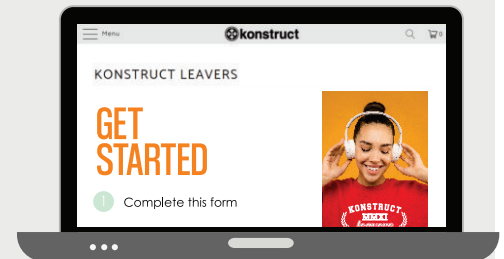

1

Head to konstruct.co.nz/leavers and fill in the online form.

Check out the garment and design options online or in this catalogue and have a chat to your year group. If there's a particular style you want and can't see, let us know. We stock a massive range of clothing and accessories.

You can send us a design you'd like printed or you can choose from the templates which we'll customise for you.

Once we have your info, we'll email you a free no-obligation quote which includes a digital proof of how your gear will look. Let us know any changes you'd like.

2

Collect orders, approve quote & make payment.

Once you've decided on garments and design, we'll courier sizing samples for everyone to get their size right, there is no extra fee for these.

There are a few ways to collect orders. You can either do this yourself by completing the order spreadsheet we email you, or we can setup an online store so people can order individually. Online ordering is free of charge if you then collect the payments, or we can collect payments online (transaction fees do apply).

Once we've got your order, we will email you a final summary for you to check. We'll also send an invoice for the total amount (if payments haven't already been collected by us).

You can pay by internet banking or credit card. The legends at the school office should be able to help with this if needed.

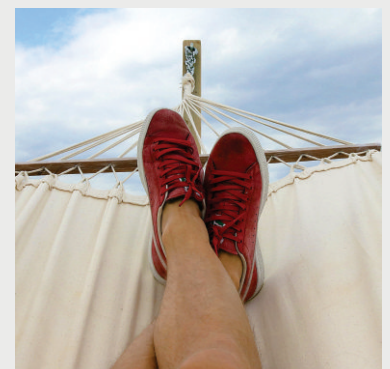

3

Relax!

The hard work is done! We'll let you know once we've received your payment and the intended dispatch date.

Our standard production time for most orders is ten working days from receiving payment, providing there are no stock issues or other unforeseen delays. The earlier you order, the sooner you'll have your gear, so it's best to get on to it before things get hectic. Go to konstruct.co.nz/leavers to get started.

Price match guarantee

Konstruct will match any quote or deal from a NZ company. So if you receive a cheaper price elsewhere, send through the quote and we will match it. Guaranteed. And you will still receive our awesome Konstruct quality and service!

REUSABLE COFFEE CUP

350ml.

PICK A DESIGN

Check out the designs below and let us know which one you fancy at konstruct.co.nz/leavers. We'll customise it for you and send back a proof for you to check out. Alternatively, you can design your own and email us a copy of what you're after. Designs are normally one or two colours and are screen printed. Embroidery is possible for school crests or smaller chest designs. Full-colour CMYK printing is also possible but is a bit more expensive. Providing design requests stick within reasonable limits, we do not charge extra for artwork. If what you have requested goes beyond our standard design-time, we will let you know the cost before proceeding with any work. Check out konstruct.co.nz/leavers for more design ideas and examples.

INCLUDE EVERYONE'S NAME

We can create and print designs using everyone's name. These look great as an additional print location on the back of the garments. All we need is a list of the year group (we'll email you a spreadsheet to complete) and we'll take it from there. There is no separate artwork fee for us to design these.
