- Durable, tested to withstand 150 washings
- Infused with SILVADUR™ anti-microbial silver ions that inhibit bacterial growth, control bad odors and create long-lasting freshness without toxic chemicals
- SILVADUR™ is proven to be safe against skin and causes no sensitization after multiple exposures
- 100% free of BPA, PFAS, and PFOA, which are shown to harm human health and are associated with cancer at low exposure levels
- 100% Eco-friendly fabric using unique processes that emit no toxic waste or volatile organic compounds that are harmful to the environment during manufacturing and finishing
- Moisture-wicking cuff certified to keep cool and dry
- Professional grade top quality Tex 40 threads that do not shrink and will retain shape, color, and strength, and are resistant to all common laundering and cleaning chemicals
- Made and sourced in the USA
- WBENC certified as women-owned small business

Custom logo screen printings are available. Contact info@amorsuiclothing.com for more details.
