## Corporate Events/ Meetings

Seated 20- 35

Hire fee \$50/ hour

Tasting and tour per head \$20

Deposit \$100

We can offer a meeting room with a difference! The Barrel Table is suitable for smaller meeting groups of up to 20 or we can offer more relaxed seating for up to 35 in our Front Bar Lounge area. The Barrel Table and Front Bar Lounge area can be hired out for meetings during Thursdays and Fridays with a bar tab available after the meeting has finished.

There is also the optional addition of treating your group to a tasting and brewery tour hosted by one of our brewers and owners, Ian or Shane.

## Bar tabs and drink pricing

All beer served at functions has been brewed on site at the Future Mountain Brewery. We also have a selection of excellent wine and locally made spirits and soft drinks. For your function we can either set up a bar tab with a pre agreed limit or you can arrange for a beverage package to be calculated for your group. You can also simply have your guests buy their own drinks at the bar, the proceeds of which will contribute towards your minimum spend requirements.

Beer and drinks are at normal bar prices. We do have a fully stocked bar, but spirits should be requested (we do not include spirits on beverage packages). If you would like to bring in different wines then there is a \$15 corkage fee (per person).

## Food options/ Catering

Here at Future Mountain we currently provide a range of locally made goods from local businesses which are available to purchase over the bar for groups of up to 30 people. Groups of over 30 are encouraged to hire the services of external caterers. If you would like to have an external company cater your event please first liaise with our functions manager. We can also put you in touch catering companies that we recommend.

## Music and Entertainment

Unfortunately we cannot have any live music, but we do have a sound system. DJs will need to be approved by the venue and will need to supply their own speakers. Music must be turned down by 10.45pm and off by 11pm. Everyone must have left the venue by 11.15pm at the latest.
