

SterlingCool

CUTTING FLUIDS DIRECT

SterlingCool-FCL3

SterlingCool-FCL3 is an excellent multi-purpose industrial cleaner that can be used on floors and surfaces. It dissolves oils and greases, lifting and emulsifying them for easy total soil removal. Product is safe to use and also has a very pleasant and clean fragrance. Excellent for the "Go To" cleaner in the shop! SterlingCool-FCL3 is an excellent broad spectrum cleaner and can handle almost every job! Mix at 10:1 for strongest applications; 20:1 for moderate applications; 30:1 for light applications"
