

Dear

We're so glad we found you!
We have a big problem here in Whizzerland!

We have no power. We can't turn anything on- not even the lights or the TV!
We've been looking for children who have special wee and can use our Magic Whizzers to collect it to turn it into the power we need. We've heard that **you** have the special wee wee that we need.

Please can you help us? When you do a Wee inside your new Whizzer you can blow these magic bubbles so we know it was you that turned the lights on for us.

All the little fairies really want to charge their iPads and watch their favourite programmes so can't wait for you to try out your Whizzer!

Thank-you so much,
Fairy hugs from all of us in Whizzerland

xxx

We have a
Special Mission
for you!

FROM THE WHIZZERLAND FAIRIES
