

HODINKEE

HODINKEE Lug Width Sizing Tool

INSTRUCTIONS

- 1 Print out this page at 100%
Do not scale to fit.
- 2 Place your watch directly on the paper
so that the black mark below fits snugly
between its lugs.
- 3 Choose the size that fits closest
without going over and you're all set!

STILL UNSURE?

Use a millimeter ruler to measure your watch's lug distance, or contact us at sales@hodinkee.com.
