PRODUCT CATALOGUE

Your source for display solutions
to fit your every need.

WHO ARE WE?

Element Display is a proudly Canadian-owned wide format print shop. We create display solutions for businesses of all sizes and industries and for all occasions. From creating a simple birthday banner, to creating a branded trade show booth, our team will help you find the best solution to fit your budget and deadline.

We print our banners in-house and we take product testing seriously. By using only genuine inks, and high-quality vinyl banner material, we are ensuring that your banners turn out beautiful and vibrant. We stand behind our products and that's why we offer a 1 Year Limited Warranty.

We don't shy away from bigger orders, in fact we welcome them. Our quantity discount means the more you order, the more you save.

Being located within the Greater Toronto Area means that we can offer a next-day service for select products within the GTA.

13OZ VS 18OZ

Vinyl banner material comes in various weights and they all have their own purposes.

13oz banner material is lighter and cheaper, which cuts down on shipping costs, and is ideal for indoor use. It's also great if you're looking to only use this banner for a short period of time.

18 oz banner material is thicker and can withstand more wear and tear. It's perfect for outdoor and for long-term use. 18oz banner material also gives you the ability to print on both sides.

FINISHING OPTIONS

Hemming Options:

Pole Pockets – Pole pockets are perfect for hanging banners either from our telescopic banner stand or for parades.

Hemmed Edges – Hemmed edges make your banner stronger and more durable. You can choose which edges you'd like hemmed.

Grommets:

Grommets are a great way to hang your banner. You can either hang your banner from nails, cable ties, ropes or whatever you have.

Grommets can be done either every 2 feet around the banner or on the 4 corners.

*Finishing options available for an additional fee, please check at our online store or contact us for details
