

The Boombox By Paul Adams

Editorial Team | October 13, 2020

Inspired by the swinging, colourful eighties, Boombox by Paul Adams is a head turner. Made from original Napa leather, this hand painted luxury briefcase can pack in your MacBook or Tablet, with space for your documents, cards, stationery and so much more! Style and Functionality go hand in hand!

Strum into Friday meetings or waltz through a weekend trip, you've got the Boombox by the handle! Limited edition.

An established name in the ultra-premium handbag and accessories segment, Paul Adams is all about exclusivity and creativity with courage. A perfect choice for the discerning taste, Paul Adams offers a whole range of bespoke bags for men and women. The brand also lends a platform to Indian art and artists through it

The collection is not only fresh and refreshing, but the highlight of the pieces is the fact that at the heart of each masterpiece is an original artwork painted on a specialized canvas with acrylic paints by a professional artist. Paul Adams is 100% homegrown and promotes lesser known artists and their artwork from various parts of the country and truly stands for #vocalforlocal from its very inception.
