

5 Year Limited Warranty

CYCLE STOP VALVES are warranted against faulty materials and workmanship for 5 years from date purchase when this extended warranty is purchased at additional cost.

CSV liability under this warranty is limited to repairing, replacing, or issuing credit at CSV's option, for any product returned during this period, provided that any such defect has not been caused by misuse, neglect, improper installation, alteration, or unauthorized repair.

CSV will not be liable and specifically disclaims any responsibility to any party for loss, direct or indirect, for costs, expenses, freight, or for consequential damage of any nature.

To obtain service under this extended warranty, a Return Goods Authorization (RGA) must be requested from Cycle Stop Valves. The defective product must be returned to Cycle Stop Valves with proof of purchase and installation date, failure date, and installation data. Any defective product to be returned must be sent freight prepaid with the issued RGA# on the outside of the return box.
