## Minnie Bag

Introducing the Minnie Bag sewing pattern - an essential crossbody for carrying your travel or daily essentials in style. Choose view A for a classic rectangular silhouette or view B for a distinctive circular shape, adding a unique touch to your outfit. Whichever you prefer, this bag will surely become your favourite on-the-go accessory with its two front pockets, inner pocket and removable strap for hands-free exploration. Crafted with care and attention to detail, this pattern ensures easy access to your phone, passport, and other essentials. The bag is underlined with bias bound inner seams, adding durability and a professional finish to your creation.
