

Photography Policy Peak Performance Sports Ltd 2023

1. Peak Performance Sports will seek permission from each Parent / Guardian at the time of booking to request permission for their child to be photographed.
2. Peak Performance Sports Ltd will keep a copy of which Participants do not have consent granted in the course register and office to ensure they do not appear in any photos.
3. Photographs will **only** be used for advertising, marketing and social media. Photographs remain the property of Peak Performance Sports. If a Participant no longer attends a session, we may continue to use their photos unless requested to remove the photo from a Parent/Guardian.
4. If at any time a Parent / Guardian wishes to change their photo consent, please inform us so we can update our records.
5. Under no circumstances should Parents or Guardians take photos of a child / children or any other Participant whilst attending a Peak Performance Sports session. If you wish to take a photo of your Child, please ask a coach to ensure all other Participants are removed from the background.
