● INTRODUCTION ●

Dr Physio Sports Body Massager 1002 allows you to enjoy a stimulating massage anytime anywhere. It is a lightweight and wireless massager that can be used easily at home, on the go, or in the office. It is a fantastic product designed to relieve muscle tension to improve the quality of your life.

● KEY FEATURES ●

- 8 Powerful speeds and 20 vibration patterns offer quick relief to a tired body
- Easy to apply on neck, shoulders, back, legs & feet
- Water-resistant design allows the massager to be easy to clean
- Can be used in the bath & shower
- Made up of medical grade anti-bacterial odorless silicone and skin safe
- Cordless and portable design
- Easy to carry

● BEFORE START USING THE MASSAGER ●

- For the best user experience, charge your product each time for optimal performance. Please insert the USB charger cable to the indented dot marked "DC" at the end of the massager. We recommend connecting to the mobile phone charger (output voltage is 3-5V, current: 1-2A) or computer USB port (output voltage is 3-5V, current: 1-2A) for charging. **(Charger is not included)**
- The signal light will start flashing in the condition of correct battery charging and will be stopped flashing once charging is finished.

● CARE AND MAINTENANCE ●

Proper care and maintenance needed to extend the product's life span. Clean and disinfect the massager with soft cleaner every time after use. Do not immerse it in the water for a long time to prevent bacterial growth.

Attentions

- Do not use the corrosive cleaner or disinfectant such as gasoline to wash the product.
- Cleaning with sterilizing soap and adult apparatus special disinfectant is recommended.
- Please store the product in a ventilated and dry place.
- Avoid direct sun exposure.

● WARNINGS ●

- Do not use the Massager while it is charging.
- Do not overcharge the Dr Physio Wand Massager.
- Remove the charging cable from the unit when charging has been completed.
- Only use the provided charging cable and adapter with the unit.
- Never submerge the Massager in the water.
- Do not attempt to repair the massager.
- Do not use any spare parts that were not supplied by Dr Physio.
