How to find Guildford Baptist Church, Millmead, Guildford GU2 4BE

By Car

Come off the A3 southbound at the slip road signposted Guildford (A322).

Bear round to the left at the first set of traffic lights but hold the right hand lane as you want to turn right at the big crossroads traffic lights in front of you.

Turn right, proceed along a dual carriageway (A25) to the next set of lights where you should turn left.

Keep straight ahead, over a small roundabout, under a railway bridge, and then at a big roundabout go straight across and make sure you are in the lane marked A3100.

Keep following signs for the A3100 round the one-way system, over the river, bear round to the left and take the second turning on the left which is Bury Street.

Take the second on the right which is Bury Fields, and you will find the Church with its small car park about 50 yards further along on the left.

Parking

Please do not park in the Millmead Court Borough Council car park (permit holders only) to the south of the church as you will incur a £60 fine.

Times and parking charges for parking within easy walking distance of the Centre are shown on the following sheet. The Park & Ride Service has a bus stop in Portsmouth Road adjacent to the Cannon Public house

Information from Guildford Borough Council showing the public car parks is available on the Council's website at <https://en.parkopedia.co.uk/parking/near/guildford-borough-council-1/?arriving=201804171230&leaving=201804171430>

By Train

Frequent train service from London Waterloo on the Portsmouth line. Journey time 35-40 minutes.

As you come out of the station bear right and head for the underpass.

As you come to the other end of the underpass, turn right up the slope (not left up the steps), and continue to follow the building round to the left, heading down towards the river between the building and the foot ramp of the bridge over the river.

Do not cross the river. When you reach the riverbank, turn right to pass under the bridge and head straight on through a contract car park, passing between St Nicolas Church and the White House pub.

Continue, keeping the river on your left. The Millmead Centre is about 100 yards along the road set back from the road on the right, with lawns and a gravel drive leading to the front entrance.

By Bus

As you step off the bus at the main bus station, turn left and head towards the shops in North Street.

Cross over North Street, bear right and head down the hill for about 30 metres to the pedestrianised Friary Street on the left, with Nando's restaurant on your left.

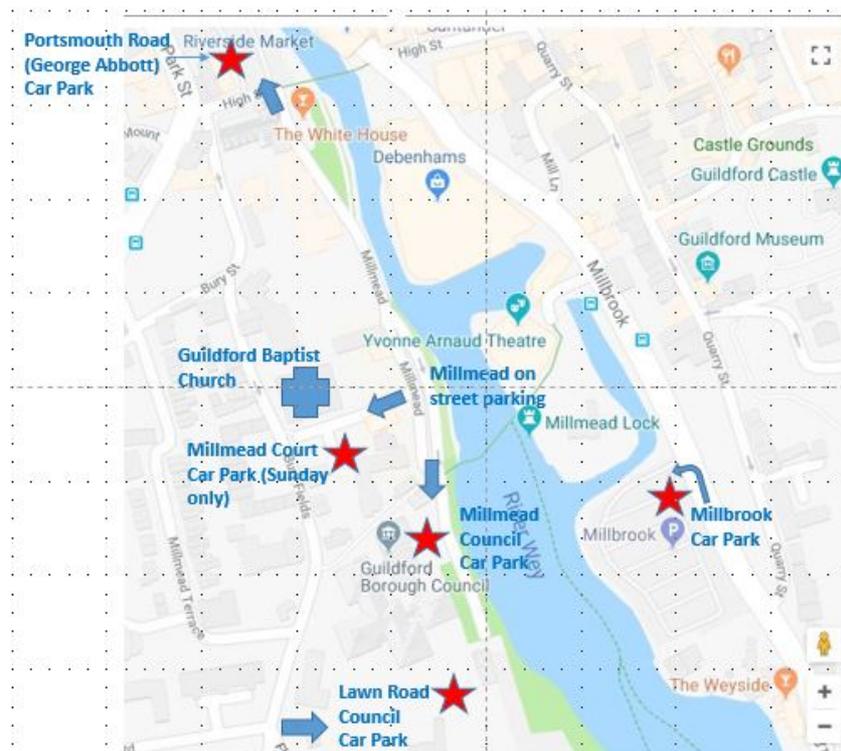

When you reach the end of Friary Street cross over the pedestrian crossing, turn immediately right and cross over another pedestrian crossing.

Bear right and walk over the bridge.

Turn left at the end of the bridge passing between St Nicolas Church and the White House pub.

Continue, keeping the river on your left. The Millmead Centre is about 100 yards along the road set back from the road on the right, with lawns and a gravel drive leading to the front entrance.
