Reviewed by Misses Eva and Mina Boekestein

In *Letters from Katie Luther*, Katherine von Bora spills out the details of her life in the form of letters to her sister in the Lord, Ave. Katie writes about her marriage to the renowned Dr. Martin Luther, raising twelve children, as well as losing a few, life at the Black Cloister, money problems, and her spiritual journey. Katie was a good example of strong Christian faith because even with trials in her life, she never lost hope in God.

Letters from Katie Luther brings you through Katie's life all the way from escaping a convent to the end of her life. She learns to trust God through her husband's chronic illness and caring for her children along with guests who stay at the cloister. She was dependent on God because without him she would not have had the strength to face each day. She was a strong and hardworking woman who raised animals, grew a garden that kept their family afloat through hard times, and cared for her husband when his depression became bad. This is a great book not only learn about the life of a Christian woman but also to strengthen your own faith.
