EASYCONNECT® BY REDLINE DETECTION

P/N 96-0190

∞ EASYCONNECT

NEW EasyConnect® provides a fast and easy way to hook up any smoke machine to late model vehicles that no longer have an EVAP test port. With EasyConnect®, technicians can snap the T-shaped adapters into an easily accessible line, then connect any smoke machine to the EVAP system for fast and accurate diagnostics.

EasyConnect® forms a complete seal for reliable testing in seconds. The EasyConnect® test kit includes 4 different sized adapters with 4 add-on components to allow technicians to connect their smoke machine to most late model automobiles and light-duty trucks. EasyConnect® is compatible with any smoke machine.

Quickly connect to most late model automobiles and light-duty trucks

- Compatible with any smoke machine
- 4 sizes included
- Ensures a complete seal for quick and effective leak testing without disturbing other components
- Comes in a compact and durable storage case
