## Product Information

Award-winning Easy INTAKE™ is an inflatable block off bladder with a pressurized vapor pass-through that allows technicians to test an entire intake or exhaust system quickly and easily. Easy INTAKE™ can be used with any brand of smoke machine or diagnostic leak detector to block-off the system with its inflatable bladder and pressurize the system with vapor through the pass-through to accurately locate leaks and find additional repair jobs.

# EASY INTAKE™

### ANY BRAND SMOKE MACHINE

Compatible with any smoke machine, Easy INTAKE™ fits 100% of automobiles and light, medium, and heavy-duty trucks to quickly leak test the integrity of the entire induction system with one simple procedure.
