

## SMOKEPRO TOTAL-TECH

P/N 95-0003/C

**SmokePro Total Tech is the world's best-selling smoke machine for a reason**

SmokePro Total Tech is a professional grade tool that uses pressure, vacuum and visual vapor to quickly diagnose trouble codes, pinpoint EVAP leaks, cooling system leaks, intake and exhaust leaks, wind, water oil leaks, saving you valuable time.

**Made in America, SmokePro Total Tech is a lifetime tool that pays for itself**

Now with a two year unconditional warranty, Total Tech gives technicians Redline quality and legendary customer service. Redline's product support and ASE Certified Master Tech help are just a phone call away. Redline safe vapor producing fluid is approved by the world's largest OEMs and used in 132 countries at both dealerships and aftermarket repair facilities.

"This compact, yet powerful machine finds more repair jobs and helps you sell those repairs to your customers then insures that you've fixed it right the first time, increasing profitability and customer satisfaction."

-Stacey David, Host of Gearz
