

## Horticulture Certificate Class Syllabus- Horticulture V and VI

Taught by David Clark, Horticulture Instructor

---

Classes meet on select Saturdays from 11am-1pm in the Administration Building. See below for dates.

### Horticulture V

- (HCP V 501) Houseplant Care and Cultivation -January 21
- (HCP V 502) Rain Gardens -January 28
- (HCP V 503) All About Roses -February 4
- (HCP V 504) Hostas & Hydrangeas -February 25
- (HCP V 505) Vegetable & Organic Gardening -March 4

### Horticulture VI

- (HCP VI 601) Great Grasses & Lawn Care -March 18
- (HCP VI 602) Color Theory & Texture in Gardens -April 22
- (HCP VI 603) World Tour of Garden Design -April 29
- (HCP VI 604) Tough Plants for Tough Sites -June 3
- (HCP VI 605) Edible Plants & Composting -June 10

Attendance and Certification: Attendance is taken at each class. Participants receive a certificate issued by the Gardens upon completion of each class in a series.

Quizzes: A short open-book quiz will be taken each class for those completing the series for a certificate. If students are taking just one class, quiz participation is still encouraged.

Suggested class supplies:

- Three ring binder for handouts and readings provided from each class
- Pen, pencil, highlighter
- Notebook or paper for additional notes

Snacks and/or drinks are welcome during class-please plan accordingly.

Please refer to our Class Information and Procedures Document on our website for more details regarding registration, missed classes, etc.
